

REMARKS

Reconsideration and allowance of this application are respectfully requested in light of the above amendments and the following remarks.

In the Office Action, at page 2, the specification is objected to for referencing the invention disclosed in the claims and because prosecution has changed the claims from those originally presented. The specification has been amended to remove these references to the claims. Accordingly, it is respectfully submitted that the objection to the specifications should be withdrawn.

In the Office Action at page 2, claims 11, 14, 15 and 16 are objected to under 37 C.F.R. § 1.75(c), as being of improper dependent form. Claims 11 and 14 have been amended to depend from allowable claim 1, and claims 15 and 16 have been amended to depend from allowable claim 3. Accordingly, it is respectfully submitted that the objections to the claims should be withdrawn.

In view of the above, it is submitted that this application is in condition for allowance and a notice to that effect is respectfully solicited.

If any issues remain which may best be resolved through a telephone communication, the Examiner is requested to telephone the undersigned at the local Washington, D.C. telephone number listed below.

Respectfully submitted,

/James Edward Ledbetter/
